

## COVER LETTER

**Journal: International Journal of Electronics and Electrical Engineering Systems**

### COVER LETTER FOR SUBMISSION OF MANUSCRIPT

**Date:**

I am enclosing herewith a manuscript entitled “.....” for publication in International Journal of Electronics and Electrical Engineering Systems for possible evaluation under the topic “.....”.

Select please the topic from the list in the following page.

The Corresponding author of this manuscript is ..... with contribution of the authors and their responsibility in the research.

Propose please three reviewers:

**Reviewer 1:** First Name, Second name, email and country

**Reviewer 2:** First Name, Second name, email and country

**Reviewer 3:** First Name, Second name, email and country

Date:

---

(Signature of corresponding author on behalf of all authors)

1. Power Components & Power electronics
2. Electromagnetic Compatibility
3. High voltage engineering
4. Electrostatics
5. Electrical Machines and Actuators
6. Power Electrical Systems
7. Energy Storage and Management
8. Renewable energies
9. Embedded Energy Systems
10. Automation and control of systems
11. Signal, Image and Video Processing
12. Industrial and Electronic Informatics
13. Diagnosis and Non-Destructive Testing
14. Numerical modeling and methods
15. Microwave Circuits and Systems
16. Antennas and Wave Propagation
